

ON-WALL AND IN-WALL CABLE MANAGEMENT SOLUTIONS

Create a seamless, professional look with in-wall and on-wall power and cable management solutions. Hide speaker cables, TV/video cabling, power cords, and more with ease. Ideal for retrofit applications or walls that don't allow for drilling, these covers are easy to install with their peel-and-stick application. Snap-on for a secure fit while still being able to open and adjust cables as needed. For a completely cable-free look, try in-wall TV kit solutions to hide cables or power behind the wall.

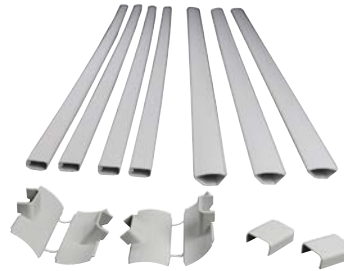

Features:

- Paintable material to blend with décor
- Peel and stick application makes installs easy
- Channels can be easily cut to length with a utility knife or fine tooth saw for a custom fit
- Perfect for hiding low voltage cables such as HDMI
